**Todd Ward • 920.779.0747**

## Our Mission

Northeast Wisconsin Birding Club provides opportunities for learning from networking, promoting sound stewardship of natural resources and sharing the enjoyment of bird watching.

## Public Programs

Monthly meetings usually occur the first Saturday of the month at Mosquito Hill Nature Center at 10 am. Programs are open to the public and free. Some meetings will be off-site at locations listed in the brochure. Bird hikes may take place prior to indoor programs. Any changes in time or location will be announced on the website.

## Membership

A membership fee of \$10.00 per household for the calendar year is suggested to help cover general operating expenses. Dues paid after Labor Day are good for next year. The club is not non-profit. Membership is not tax deductible. Checks may be made out to **Northeast Wisconsin Birding Club**.
